

The most widely used stencil cleaning chemistry, 440-R SMT Detergent, is now available in ready-to-use spray bottles for manual cleaning!

The next best thing to using a Smart Sonic stencil cleaner

- Non-Hazardous, Non-Flammable
- No VOCs
- RoHS Compliant
- Eliminates the hazards and noxious odors of solvent cleaners
- Safe on all metals and plastics
- Economical
- Just spray on and wipe off
- Cleans all types of solder paste...even in the apertures!

Winner of the SMT Vision Award for best cleaning product and the only stencil cleaner verified by the U.S. EPA's Environmental Technology Verification Program for specific parameters of environmental safety, user safety and cleaning efficiency.
